Hi Chris! If you could join, I think that would be super helpful! :) The topics in the document attached to the meeting invite I sent out are what we are going to focus on this Friday. Also, I'm revising the memo now based on the latest round of feedback received, and there are still a couple of questions in there that I'd like you to look at. When I finish that up, I'll share it with you to take a look. My questions should be clearly marked on the side with comments. And hopefully not too complicated to answer.

Thanks for checking in!

Hello – I've put together some background info for you all to take a look at prior to the meeting next Friday. I've tried to summarize the main outstanding issues that I think will benefit from a group discussion. At some point early next week, I will share out a One Drive Folder with a cleaned up version of the decision memo, so you can have that for reference as well. Thanks for all of your help so far!

Proposed Agenda:

1. Go over changes made based on feedback received (5 min)
 2. Outstanding issues/questions (45 min)
 3. Next steps – what is our strategy for briefing this up? (10 min)

Hi everyone,

I plan to take a look at the comments received on the decision memo, and tee up the outstanding issues for us to discuss. I will compile a list of topics before the meeting and send them out. (b) (5)

Thanks,

Miranda
